CARE COLLECTION

Here's KREAFUNK CARE, a more environmentally friendly product line.

For the CARE assortment, the use of plastic has been reduced with 35% in each product. It has been replaced with wheat straw fibres, which are made from renewable resources. Furthermore, the textile for the three speakers are from the Danish textile company Gabriel®. The textile is made from 98% plastic bottles.

For every CARE product sold we support The Ocean Cleanup with 0.30 EURO cents.

SPEAKERS

wireless · Bluetooth

Music encourages you to move in different directions.

A speaker from KREAFUNK complements your lifestyle as a beautiful piece to your interior or as a faithful companion on the move

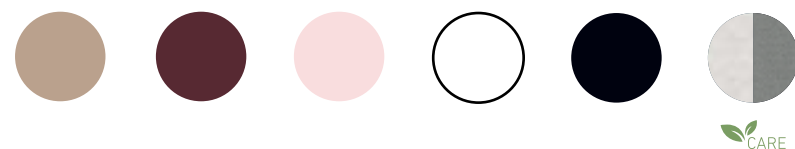

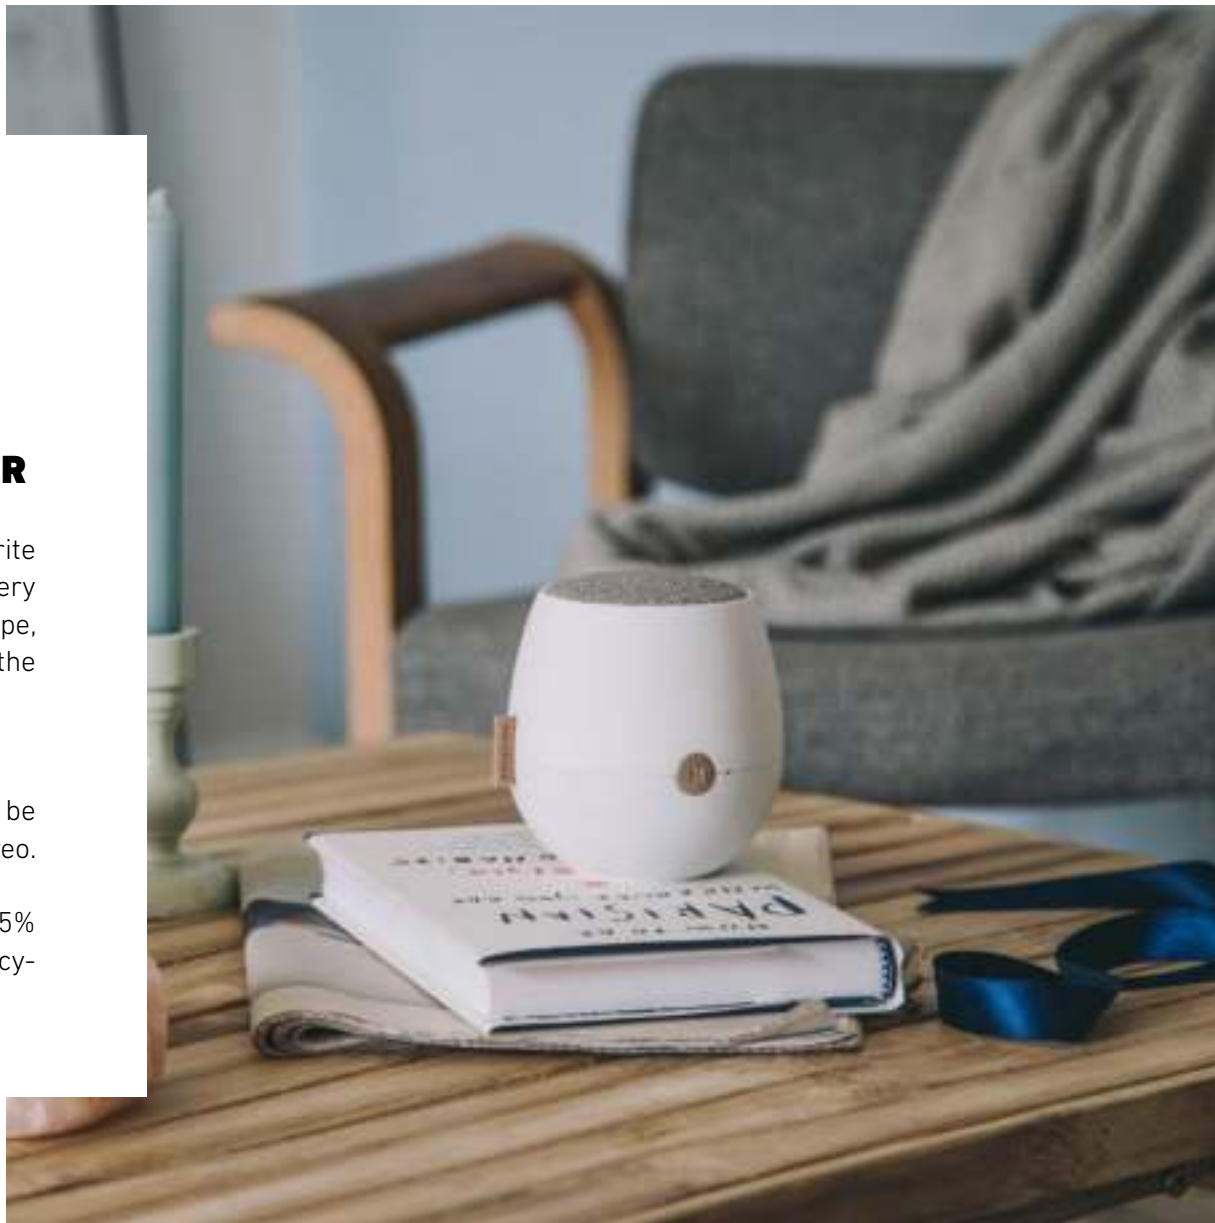

01.

aJAZZ BLUETOOTH 5.0 SPEAKER

Besides playing all your favourite tunes, this speaker will jazz up every room it enters. With its organic shape, it will both add to and compliment the room.

One is good, two is twice as good! aJAZZ supports TWS = two can be paired up for true wireless stereo.

NB! aJAZZ comes in CARE with 35% less plastic and textile made of recycled polyester.

20 HOURS PLAYBACK TIME

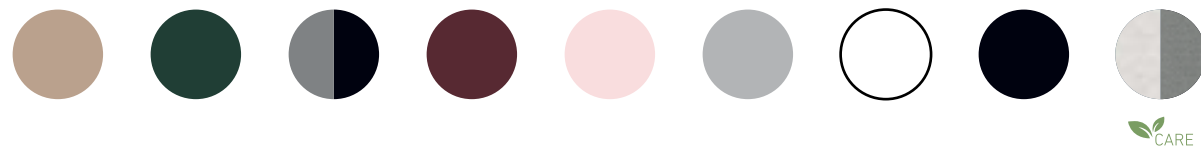

DUST AND WATER-RESISTANT (IP55)

TWS (TRUE WIRELESS STEREO)

02.

aGO BLUETOOTH 5.0 SPEAKER

aGO is ultra portable and fits right into your pocket - all set to accompany you wherever you may go. Just grab aGO by its leather strap and you're ready to go; with music by your side for 25 hours on a full charge. aGO comes in eight different colours and in a CARE version with 35% less plastic.

ULTRA PORTABLE

wiSHELF **SHELF WITH INTEGRATED CHARGER**

Decorate your home with this simple and stylish shelf that will surely become an indispensable part of your everyday life.

wiSHELF uniquely combines convenient storage with wireless charging, since it also acts as a charging station. The shelf is designed with an integrated solution for our wireless charger, wiCHARGE in black.

END-OF-LIFE

Still chic and wireless

Oh the things we've seen!
We have wandered and lived our
best lives. However, all things
come to an end as they say, and it's
time for us to make a smooth exit.

But don't worry. We have some ener-
gy left. So, don't be afraid to give us
one last chance.

01.

aGROOVE BLUETOOTH SPEAKER

You won't find many Bluetooth speakers of this size with the same beautiful sound and smooth appearance as aGROOVE.

BLUETOOTH 4.0 · 30 HOURS PLAYBACK
TIME · 3-4 HOURS CHARGING TIME

02.

aFUNK BLUETOOTH SPEAKER

aFUNK is designed with various circular elements creating the best conditions for the sound as it is spread into the room in 360 degrees. Take your music experience to the next level and connect two aFUNK speakers for music in stereo (TWS). Now, that's twice the fun!

BLUETOOTH 4.2 · 20 HOURS PLAYBACK
TIME · TRUE WIRELESS STEREO (TWS)

03.

GET TO KNOW US

WE ARE ALWAYS AT YOUR SERVICE

At KREAFUNK we believe in good vibes and extraordinary good customer service. That is why our support team is always ready to answer any question you may have.

We always listen carefully to your inquiry and make sure that both parties fully understand the situation. It's really important to us that we find a solution together that satisfies you – and we always strive to provide it quickly.

THE KREAFUNK DESIGN DNA

We strive to break the gap between creativity and functionality by uniquely uniting these in stylish and fashionable designs. Our product line consists of lifestyle products that add beauty and ease to your life.

We have a simple philosophy: Life shouldn't be an eternal strive for perfection. We celebrate and embrace the diversity of an ordinary everyday life where it's the small things that make it extraordinary.

With roots in the Danish design traditions, we design products with a minimalistic touch and with a keen eye on details, functionality, materials and not least colours.

NO STRINGS ATTACHED

We're always on the move, exploring new things and new places. Everything should be easy to bring along. Therefore, we focus on making all our products portable.

GREAT VALUE FOR MONEY

We create funky products with a remarkable quality and finish. At the same time the prices are affordable. It's for everyone!

TRENDY CONSUMER PRODUCTS

We always keep an eye on trendsetters and inspiring environments. This makes our products strikingly trendy on colours, materials and expression.

EASY TECH

Every product is made with great focus on the need for simplicity in the everyday life. We call it easy tech. Effortless to operate so everyone can join our universe.

*Let's stay in touch.
Connect with us.*

BESIDES MUSIC WE OFFER CHIC PACKAGING

When you purchase an audio product from KREAFUNK it's delivered in our chic signature wooden box. We think packaging is almost as important as the insides. Not only in terms of aesthetics, but in shielding the products from outside damages too. That's a way to fill two needs with one deed.

POWLONIA TREE

All of our audio products, our wireless chargers and our power banks come in packaging made from the Poulownia tree, which is by far one of the fastest growing trees; a tree that requires low maintenance and contains substances that have different beneficial effects on the environment.

WITH LESS WASTE IN MIND

The packaging journey doesn't end here. You'll see that we've replaced

the Styrofoam with FSC cardboard in the master boxes; That we've removed the extra protection foam in our inner boxes, and that we've decreased the sizes of our packaging.

Automatically this has the effect on the foam within the packaging as it's being decreased as well. Thus, we're happy to say that we only use the amount of packaging appropriate to ensure safe handling and storage of the products. This way, we ensure that there is no damage to the product and no excessive waste.

PROLONGING THE PRODUCT LIFE

Besides the obvious benefits, we encourage you to prolong the life of the boxes. With the wooden boxes, we offer a chic storage solution, a unique piece to your décor or a fun element to any creative project.
